Discussion: Any 2018 board expectations of JSO Coordinator?

1. It was noted that Choices INC. did not apply for re-certification, they are no longer providing JSO services at this time.

2. JSO Coordinator to modify site/monitoring verses the full certification visits:
   a. Smaller site/monitoring visit will be completed on the off year, will no longer encompass the same procedures as the full recertification/certification visit.
b. Recertification and initial certification year visit will remain the same.
