Message from DYS Director Harvey Reed
National Correctional Officers and Employees Week 2017
May 3, 2017

Happy National Correctional Officers and Employees Week! As you participate in the events planned in your honor this week, know that I appreciate each member of the DYS family. We couldn’t do our important work without you.

On Friday, we held our fourth annual Employee Recognition Ceremony as a lead-in to this special week. Please enjoy highlights from the ceremony in the video that follows.

Thank you for the professionalism, dedication and courage you display in a variety of situations with our youth, families, and communities. The important work of juvenile justice is sometimes misunderstood and underappreciated. It is fitting this week that we honor the many contributions and accomplishments of the men and women who play a vital role in supporting a safer Ohio.
