About us

The Ohio Department of Youth Services (DYS) is the juvenile corrections system for the state of Ohio. DYS is statutorily mandated to confine felony offenders, ages 10 to 21, who have been adjudicated and committed by one of Ohio’s 88 county juvenile courts. During their stay with DYS, youth are engaged in programming that is designed to address their criminological and behavioral needs. Each of the DYS facilities also operates a year-round school that offers general curriculum as well as vocational opportunities. DYS serves thousands of youth in Ohio. Beyond youth in facilities and those on parole, DYS funds and supports 625 community programs throughout the state offering more than 93,000 youth (based on annual program admissions) opportunities and services to encourage positive change. These range from prevention and diversion programs to residential treatment and community treatment in areas such as mental health, sex offending and substance abuse.

Mission

To improve Ohio’s future by habilitating youth and empowering families and communities.

Vision

A safer Ohio, one youth, one family and one community at a time.
